Nef The Pharaoh

They only wanna kick it when I'm high
Don't think I really wanna die

Big body hoggin' up both lanes
Hood nigga, eat a bowl of noodles on stage
Every time I do a tour, I put on for my team
I just ripped another hole in my Saint Laurent jeans
I'm a rockstar
Dah-dah-dah-dah-dah, dah-dah-dah-dah-dah, dah-dah
I'm a rockstar
When I hit the stage, I'ma hit the air guitar
Know that I'm a rockstar
Dah-dah-dah-dah-dah, dah-dah-dah-dah-dah, dah-dah
I'm a rockstar
When I'm on stage, I'ma hit the air guitar

It ain't nobody I can run to when I'm sober
They only wanna kick it when I'm high, high
Life looks so dumb when it's over
And I don't think I really wanna die, die
Every girl I meet is face up, ass down, turn around
Give me head, pull my pants down (Make me cum)
I got my middle fingers in the air, tongue out
Rockstar status, ayy, be loud
Turn up, this your shit, get lost in your thoughts
You fell for the wrong one, we all know that love cost
Got addicted to drugs, I'm fucked up in the head
On another world tour, I'm still depressed

Big body hoggin' up both lanes
Hood nigga, eat a bowl of noodles on stage
Every time I do a tour, I put on for my team
I just ripped another hole in my Saint Laurent jeans
I'm a rockstar
Dah-dah-dah-dah-dah, dah-dah-dah-dah-dah, dah-dah
I'm a rockstar
When I hit the stage, I'ma hit the air guitar
Know that I'm a rockstar
Dah-dah-dah-dah-dah, dah-dah-dah-dah-dah, dah-dah
I'm a rockstar
When I'm on stage, I'ma hit the air guitar

I'm always high as hell during interviews
Go tell that label fuck that album and that interlude
Last night I took a jigga, bitches in my room
Smoke a Black and Mild in Paris while they in the nude
I punched a paparazzi out and now I'm in the news
I'm a rockstar nigga, what I got lose?
I swear these shrooms got me trippin' in my happy place
Me and my brother ate a zip 'cause we got used to eighths
I'm just a kid from the projects, I was so used to space
I did a show with fifty thousand and made the crowd wave
I heard Lil Jack just beat his case, they played the Viceland tape
I just went and bought me a Benz, I might go buy a Wraith
So I can do the skrrt skrrt

Big body hoggin' up both lanes

Hood nigga, eat a bowl of noodles on stage
Every time I do a tour, I put on for my team
I just ripped another hole in my Saint Laurent jeans
I'm a rockstar
Dah-dah-dah-dah-dah, dah-dah-dah-dah-dah, dah-dah
I'm a rockstar
When I hit the stage, I'ma hit the air guitar
Know that I'm a rockstar
Dah-dah-dah-dah-dah, dah-dah-dah-dah-dah, dah-dah
I'm a rockstar
When I'm on stage, I'ma hit the air guitar

It ain't nobody I can run to when I'm sober
They only wanna kick it when I'm high, high
Life looks so dumb when it's over
And I don't think I really wanna die
It ain't nobody I can run to when I'm sober
They only wanna kick it when I'm high, high
Life looks so dumb when it's over
And I don't think I really wanna die

Big body hoggin' up both lanes
Hood nigga, eat a bowl of noodles on stage
Every time I do a tour, I put on for my team
I just ripped another hole in my Saint Laurent jeans
I'm a rockstar
Dah-dah-dah-dah-dah, dah-dah-dah-dah-dah, dah-dah
I'm a rockstar
When I hit the stage, I'ma hit the air guitar
Know that I'm a rockstar
Dah-dah-dah-dah-dah, dah-dah-dah-dah-dah, dah-dah
I'm a rockstar
When I'm on stage, I'ma hit the air guitar
