

## Abase

Nega

"The Truth" that i can never delete  
I'm falling deeply  
Does this voice reach you?

This cry flies in the sky sadly  
If God grants my wish,  
please give her happiness  
And i fall in this darkness

I abase...

Yozora no hoshi kimi ni kasaneru  
Boku wa koko de hikaru kimi wo mitsumeteiru  
Naite... nemurenai yoru...  
kono kokoro ni shinjitsu kakushi

Uso wo kasane hashiritsuduketa  
Mune ga kowaresou de  
Doko made mo ochiru boku ni wa kimi wa toosugite

Ima sakebu, sora ni kono kokoro wo  
Tada koe ni narazu  
Omoide dake hibiiteiru  
Nagareboshi ni sono kotae wo

The shooting star opened a very big hole with me  
Will i fall into the "hole"?

Nee nakanaide yo  
Kimi wa kegarenaide ikite hoshii

Ima sakebu, kimi ni kono shinjitsu wo  
Tada ochite yuku yo  
Fukai yami ni kono sekai ni  
"kimi ni sayonara"  
Kono yami kara kimi wo zutto miteiru yo  
Soshite inoru itsu ka kimi ni "sachi" wo

Kono yami ni ochite yuku jibun sae mo shinjirarezu  
Ano hoshi ni habataku kimi no kage wo mitsumete
