

In the shadow of the rain cloud

Nega

Amekumo ga kyou mo hareru koto wo shirazu hikari wo...
Anata no sukina hana saku koto wo shirazu naite iru

Kimi wo aishita koto saemo shinjitsuna noka wakara nakunaru
Ame wa yasashii kio saemo nagashite tsumi no ato dake nokosu

Shinri ga mie nai...

Hikari ga mie nai...

Dareka kono boku wo...

Aishite kudasai...

If the rain stops
Light shines in the grave of the sacrifice
And people will forget sins
However, my sins does not disappear
My heart is not cured
My heart is wet with tears...
