

# PURGATORY

Nega

Let's commit suicide and die  
I just going mad  
No salvation in this world that like a hell

Let's commit suicide and die  
I just going mad  
No salvation in this world that like a hell  
I'm not going to back  
But I can't advance  
Here is a hell on earth  
I cannot stand

Rouse rouser rouse  
Rouse rouser rouse  
Rouse rouser rouse  
Rouse rouser rouse  
Break me

SAVE ME FROM THE HELL  
mirai mo kako mo furueru ima no mae ni  
SAVE ME FROM THE HELL  
sukui no ito wa dare no tame ni mo...

Take it away from me  
Die truth with me mud  
Nobody can hope you and me  
As I lie... death wish  
I'm not going to back  
But I can't advance  
Here is a hell on earth or purgatory?

SAVE ME FROM THE HELL  
mirai mo kako mo furueru ima no mae ni  
SAVE ME FROM THE HELL  
sukui no ito wa dare no tame ni yuragu no ka...

Let's commit suicide and die  
I just going mad  
No salvation in this world that like a hell  
I'm not going to back  
But I can't advance  
Here is a hell on earth  
I cannot stand

SAVE ME FROM THE HELL  
mirai mo kako mo furueru ima no mae ni  
SAVE ME FROM THE HELL  
sukui no ito wa ore no tame de wa nai

NIL INTO THE VOID  
kyomu e to hateru kono uta ni inori o

sukuenai koe ni karamaru risou hakidasu wake o idaku no ka?
