I cry alone
Cry...Nobody notices it
I'm lonely eternally
I can live only here
I look up at the sea
But I see nothing
I swam to upper
But, I cannot live there
I hate myself...and have to die
I can't suicide suck in the XXX fuck in the XXX
I don't know my figure
Because, I see nothing
Can you see my figure?
How can you see me?
I mind it...
Am I beautiful?
Am I very ugly?
Surely I'm awfully ugly
I hate myself... and have to die
I can't suicide suck in the XXX fuck in the XXX
kono shihai wo koe ru yami hikari no hate nai ta kako desae mie
nu kun no sugata
kono mirai wo koe ru yami hikari ha hate sora mawaru kotae kuuk
yo ni uka bu risou ha
I miss you... kono yami ni kie

I hate myself...and have to die
I can't suicide suck in the XXX fuck in the XXX
I don't understand even a living meaning
kono shihai wo koe ru yami hikari no hate nai takono chi sae to
doka nu omoi de some ru
kono mirai wo koe ru yami hikari ha hate sora mawaru omoi risou
hakono mi to obore
naite ...
