

# Frozen To Lose It All

Negative

**Hmi E**  
Alone in sadness  
**Hmi E**  
You are pure and innocent  
**Hmi E**  
All suffering in your eyes  
**G**  
So love decides  
**A E**  
It's time to lose it all  
**G A**  
In your paradise you stayed  
**F#**  
Lost and lonely you are  
  
**G**  
In memories  
**D**  
We're all we used to be  
**F#**  
Our frozen broken hearts  
**Hmi**  
Ready to lose it all  
**G**  
Life's running out too fast  
**D**  
It's all we have  
**F# Hmi**  
This all reminds of how in love and lost we are  
  
You stayed, alone in sorrow  
So far away  
Where the sunbeams never reach  
All alone and lost we are  
  
Your loneliness  
It could be here to stay  
In your paradise you stayed  
So lost and lonely you are  
  
In memories  
We're all we used to be  
Our frozen broken hearts  
Ready to lose it all  
Life's running out too fast  
It's all we have  
This all reminds of how in love and lost we are
