- I see someone's crying
 I see tears are shining
 I see grass is green
 I see what you feel
- I mean you are so Naive I see I'm not blind I mean you are so Naive I see I'm not blind
- I hear someone's crying
 I hear tears are falling
- I mean you are so Naive I see I'm not blind I mean you are so Naive I see I'm not blind
- I see someone's crying
 I see tears are shining
 I see grass is green
 I see what you feel
- I mean you are so Naive I see I'm not blind I mean you are so Naive I see I'm not blind
