

Take me down
Gunilla I just want to say
You're the first day of my life
Take me down
Nothing's wrong when nothing's right
But still you make me smile
Take me down
80's lines won't change my mind
We touch from time to time
I'll be fine

Gunilla won't you love me?
Love me till you die
Gunilla won't you love me?
Love me till you die
(Hahaha, mm..)

Take me down
Better things have come and gone
Gunilla passing by
Take me down
Too afraid to see the end
I have forgotten why
Take me down
Dressed up truths inside my head
Drowned in naked lies
I'll be fine

Gunilla won't you love me?
Love me till you die
Gunilla won't you love me?
Love me till you die
(Hahaha, mm..)

Gunilla, Gunilla
Love me till you die
Gunilla, Gunilla
Love me till you die
Gunilla, Gunilla
You better love me till you die
Gunilla, Gunilla
