

The Moves

NEIKED

Yeah, yeah
Woo

I been feelin' like, maybe you
Just don't love me like you used to
(Love me like you used to)
Still wait, up all night
No matter what you do
Baby, I'm a sucker for your voodoo, ooh-ooh

Some days, I know better than this, some days
I feel so stupid (So stupid)
Some days, I'm just missin' your kiss
We both know that the truth is (Woo)

You got the-, you got the-, you got the moves, oh
You got the-, you got the-, you got the moves, nah, now (Ooh)
Who taught you how to touch like that? (Like that)
I hate you but I come right back (Right back)
You got the-, you got the-, you got the moves
(You got the moves, moves)

When you're not around
Tears fall like our clothes on the ground
(On the ground, on the ground, on the ground)
Swirlin' in his arms
One night and I just can't go without
(Jut can't go without, babe)

Some days, I know better than this, some days
I feel so stupid (So stupid)
Some days, I'm just missin' your kiss
We both know that the truth is (Woo)

You got the-, you got the-
You got the moves (You got) oh (Yeah, yeah)
You got the-, you got the-
You got the moves, nah, now (Ooh)
Who taught you how to touch like that? (Like that)
I hate you but I come right back (Right back)
You got the-, you got the-
You got the moves (You got the moves, moves)

You, you, you, you (To the left, to the left)
You got the moves, moves, moves (To the right, to the right)
Baby, you, you, you, you (Spin around now, baby)
You got the moves, moves, moves (Break it down, break it down)
You got the moves, you got the moves, you got the moves
(Bring it back, bring it back)
You got the moves, moves, moves (Back it up now, baby)
You got the moves, moves, moves (Oh)

Oh, you got the-
Baby, you got-, ah, baby, you got me
Who taught you how to touch like that? (Like that)
I hate you but I come right back (Right back, babe)
You got the-, you got the-, you got the moves

(You got the moves, moves, oh)

Yeah

Who taught you how to touch like that? (Like that)

I hate you but I come right back (Right back, babe)

You got the-, you got the-, you got the moves

Ooh
