Have Yourself a Merry Little Christmas

Neil Diamond

Christmas future is far away Christmas past is past Christmas present is here today Bringing joy that will last

Have yourself a merry little Christmas Let your heart be light From now on, Our troubles will be out of sight

Have yourself a merry little Christmas Make the yuletide gay From now on, Our troubles will be miles away

And here we are as in olden days Happy golden days of yore Faithful friends who are dear to us Gather near to us once more

Through the years We all will be together If the fates allow Hang a shinning star Upon the highest bough And have yourself A merry little Christmas now

Here we are as in olden days Happy golden days of yore Faithful friends who are dear to us Gather near to us once more

Through the years We all will be together If the fates allows Hang a shinning star Upon the highest bough And have yourself A merry little Christmas now
