

If I Lost My Way

Neil Diamond

If I lost my way,
Would you stand with me,
Would you love me still
And care for what I need
If I lost my way?

If I lost my faith
To face up to the test,
Would I let you down?
Would you love me less
If I lost my way?

Tell me I'm afraid without good reason
Say that I'm a fool to feel this way
Could it be the me that you believed in
Is all you really need to make you stay?
If I lost my way
If I lost my way

If I lost my dreams,
Could I keep your trust?
Promise that our love
Would not turn to dust
If I lost my way

Tell me I'm afraid without good reason
Say that I'm a fool to feel this way
Could it be the me that you believed in
Is all you really need to make you stay?

If I lost my way,
Would you stand with me
Would you love me still
And care for what I need
If I lost my way
If I lost my way
If I lost my way
If I lost my way
