

# Maybe

Neil Diamond

Maybe is the coldest word I think I'll ever know  
Goodbye maybe hard at first but baby don't let go  
Maybe I'm in love with you, and I may be true  
But that's not what I want you to say

Don't tell me, maybe you do and maybe you don't  
Maybe you will but maybe you won't  
Maybe is the lowest low I think I'll ever get  
Maybe is the deepest blow I think I've been dealt yet  
Maybe turns you all around, first you're up then down  
It's like sailin' without any wind  
You keep sayin', maybe you do and maybe you don't  
Maybe you will but maybe you won't  
Say maybe you do and maybe you don't  
Don't tell me maybe you will and maybe you won't  
Maybe you do and maybe you don't

Maybe words don't mean a thing and maybe love don't lie  
Maybe everything's alright and maybe hearts don't cry  
Maybe we've got time to go, well you just don't know  
But there's one thing I can't seem to shake

You're sayin', maybe you will and maybe you won't  
Maybe you do but maybe you don't

Maybe you do  
Maybe you don't  
Maybe you will  
But maybe you won't  
Maybe you do
