

# New Orleans

Neil Diamond

I said, Hey Hey Hey, Hey Ya  
I said, Hey, Hey Ya Ya

Well come on everybody  
Make a trip with me  
Down from Mississippi  
Down to New Orleans  
They got the honeysuckle  
Blooming on a honeysuckle vine  
Love is bloomin' there all the time  
Down from Mississippi  
Down to New Orleans

You know that any Southern Belle  
Is a Mississippi Queen

Hey Hey Hey Hey Ya  
Hey Hey Ya Ya

Well come on everybody  
Take a stroll with me  
We gonna listen to the music  
With a Dixieland beat.  
They got the magnolia blossoms fill the air.  
If you ain't been to heaven  
You ain't been here  
Now all the French moss hangin'  
From a big oak tree.  
Down from Mississippi  
Down to New Orleans.

Hey Hey Hey Hey Ya  
Hey Hey Ya Ya

Well let's go everybody  
Take a trip with me.  
Down from Mississippi  
Down to New Orleans.  
They got the honeysuckle  
Blooming on a honeysuckle vine.  
They got love bloomin' there all the time.  
You know that any Southern Belle  
Is a Mississippi Queen.  
Down from Mississippi  
Down to New Orleans.

Well ,come on,  
You got it  
We gonna dance, going to New Orleans.  
That's the place  
I said, come on  
Come on, come on, come on
