

# Things Have Changed

Neil Diamond

Now, you tell me I'm the only one  
After all the dirty things you've done  
Once there was a time  
When I'd fall for your line,  
But darlin'  
Things have changed

I don't want your kisses anymore  
No, we can't be lovers like before  
When you left me all alone,  
I went lookin' on my own  
And darlin'  
Things have changed

I found out what love's all about,  
And I've taken the cue  
All your lies I can do without  
And so, I'd like to tell you  
I've just found someone who really cares  
We both plan to make a happy pair  
I've just outgrown you  
And there's nothing you can do  
'Cause darlin'  
Things have changed.
