

Message to My Girl

Neil Finn

I don't want to say "I love you"
That would give away too much.
Good to be detached and precious,
the only thing you feel is vicious.

I don't want to say "I want you"
even though I want you so much.
It's wrapped up in conversation,
it's whispered in a hush.

Though I'm frightened by the word,
think it's time that it was heard.

No more empty self possession,
visions swept under the mat.
It's no New Years resolution,
it's more than that.

Now I wake up happy
warm in lovers embrace.
No one else can touch us
while we're in this place.

So I'll sing it to the world
this simple message to my girl.

No more empty self possession,
visions swept under the mat.
It's no New Year's resolution,
it's more than that.

Though I'm frightened by the word,
think it's time I made it heard.

So I'll sing it to the world
this simple message to my girl.

No more empty self possession,
visions swept under the mat.
It's no New Years resolution,
it's more than that.

Oh there's nothing quite as real
as the touch of your sweet hands.
I can't spend the rest of my life
buried in the sand.
