

Something So Strong

Neil Finn

Love can make you weep
Can make you run for cover
Roots that spread so deep
Bring life to frozen ground

Something so strong could carry us away
Something so strong could carry us today

Turning in my sleep
Love can leave you cold
The taste of jealousy
Is like a lust for gold

Something so strong could carry us away
Something so strong could carry us today

I've been feeling so much older
Frame me and hang me on the wall
I've seen you fall into the same trap
This thing is happening to us all, yeah

Something so strong could carry us away
Something so strong could carry us today, yeah

Something so strong
Something so strong
Something so strong
Something so, so strong
