

## Weather With You

Neil Finn

Walking 'round the room singing Stormy Weather  
At 57 Mount Pleasant Street  
Well it's the same room, but everything's different  
You can fight the sleep, but not the dream

Things ain't cookin' in my kitchen  
Strange affliction wash over me  
Julius Caesar and the Roman Empire  
Couldn't conquer the blue sky

Well, there's a small boat made of china  
It's going nowhere on the mantelpiece  
Well, do I lie like a loungeroom lizard  
Or do I sing like a bird released?

Everywhere you go, you always take the weather with you  
Everywhere you go, you always take the weather  
Everywhere you go, you always take the weather with you  
Everywhere you go, you always take the weather, the weather with you

Everywhere you go, you always take the weather with you  
Everywhere you go, you always take the weather  
Everywhere you go, you always take the weather with you  
Everywhere you go, you always take the weather, take the weather, the weather with you

Everywhere you go, you always take the weather with you  
Everywhere you go, you always take the weather  
Everywhere you go, you always take the weather with you  
Everywhere you go, you always take the weather, take the weather, the weather with you
