

Do You Remember?

Neil Sedaka

Do you remember
Picnics in the park
Do you remember
Dancing in the dark
Do you remember
Lying in the sand
All these special moments
We had in wonderland

If I could take these precious moments
Put them in a box
If I could feel these times once more
I'd turn back the clock
Wouldn't it be wonderful
The way that things were then
I would like to turn back time
Live it all again

Do you remember
Stealing our first kiss
Do you remember
Falling in love like this
Time goes by so swiftly
Time goes by so fast
I wanna have these good times
I want our love to last

Siempre somos mas que amigos
Somos mas que novios
Mas te amo quando no estas comigo
Dos amantes con un corazon
Difícil vivir sin ti
Esta vida para mi
Somos novios sin razon
Somos amantes con un corazon

Do you remember
The meaning of romance
Do you remember
When we took the chance
Wouldn't it be wonderful
Not to think of sorrow
I want all my yesterdays
To be my bright tomorrows

If I could take these precious moments
Put them in a box
If I could feel these times once more
I'd turn back the clock
Wouldn't it be wonderful
The way that things were then
I would like to turn back time
Live it all again
