

## Distant Camera

Neil Young

The flash from a distant camera  
Reconnecting thoughts and actions  
Fragments of our missing dream  
Pieces from here and there  
Fall in place along the line  
Disappearing between you and me

Life is changing everywhere I go  
New things and old both disappear  
If life is a photograph fading in the mirror  
All I want is a song of love  
Song of love to sing for you  
All I need is this song of love  
To sing for you.

On the floor where daylight dances  
With the ones that missed their chances  
When they couldn't let it show  
Lies the land of sweet surrender  
Like a dream it might have ended there  
But we didn't even know

Now forever we will live as one,  
Floating in love's atmosphere  
If love is a piece of dust shining in the sun,  
All I want is a song of love  
Song of love to sing to you  
All I need is this song for love  
To sing for you

Song of love  
Song of love
