

Unknown Legend

Neil Young

G

1. She used to work in a diner

G

Never saw a woman look finer

G

I used to order just to watch her float across the floor

C **C** **G**

She grew up in a small town

G **C** **G**

Never put her roots down

G **C** **G**

Daddy always kept movin' so she did too

G **C** **G**

R: Somewhere on a desert highway

G **C** **G**

She ride a Harley Davidson

G **C**

Her long blonde hair flyin' in the wind

C **G**

She's been runnin' half her life

G **C** **G**

The chrome and steel she rides

G **C** **G**

Collidin' with the very air she breathes, the air she breathes

G **G** **G** **C** **G**

G

2. You know it aint easy

G **C** **G**

You got to hold on

G **C**

She was an unknown legend in her time

G **C** **G**

Now she's dressin two kids

G **C** **G**

Lookin' for a magic kiss

G **C** **G**

She gets the far away look in her eyes

R: Somewhere on a desert highway...

G **G** **G** **C** **G**

R: Somewhere on a desert highway...
