

# Walkin' In My Place (Road Of Tears) (Mansion On The Hill)

Neil Young

Well, I saw an old man walking in my place  
When he looked at me, I thought I saw my face  
His words were kind but his eyes were wild  
He said, "I got a load to love, but I want one more try. One more try."

There's a mansion on the hill  
Psychedelic music fills the air  
Peace and love live there still  
In that mansion on the hill

Around the next bend, take the highway to the sun  
Or the rocky road. It really don't matter which one  
But I was in hurry, but that don't matter now  
I had to get off that road of tears somehow  
Somehow

There's a mansion on the hill  
Psychedelic music fills the air  
Peace and love live there still  
In that mansion on the hill

There's a mansion on the hill  
Psychedelic music fills the air  
Peace and love live there still  
In that mansion on the hill

There's a mansion on the hill  
Psychedelic music fills the air  
Peace and love live there still  
In that mansion on the hill
