Rain falls, I fix my eyes Let go of the focus and I blur out all the lines Just to remember, remember

Crying 'cause it's not my fault Water through my lashes look just like Christmas lights And I still remember, remember

Cold and shivering Cold and shivering Cold and shivering warm

Sing please, rock me to sleep Quiet as a canyon up under heaven's eaves I surrender, surrender

Downstairs the furnace swells Safe from all the horrors in your stinging velvet arms And I surrender, surrender

Cold and shivering Cold and shivering warm
