

## Bones

## Nekrogoblikon

I saw you hiding in the secret garden  
What were you doing there?  
Why were you watching me?  
You know you can't stay hidden forever  
But how you'll try

Oh then i lost my taste in hope  
(why is it that you won't play the game?)  
And when this world is dust and gone  
You are sad and wrong

Hey yeah  
Good great  
Hey now  
Let's hate

'nother one dead  
'nother one gone  
Love's expensive  
But hate is free  
I know which one's for me  
(pain)  
You always make me take the blame  
But you'll still die we're all the same

We're all the same...

Hey yeah  
Good great  
Hey now  
Let's hate

And if you find love in this life  
Well good for you  
I'll see you on the other side  
I'll see you back where we belong

Well this is life and I don't belong  
Well this is life and I'm always wrong  
Well this is life and I gotta belong  
Well this is life and I'm never wrong

Hey yeah  
Good great  
Hey now  
Let's hate
