

# Darkness

## Nekrogoblikon

I can't escape the Darkness!  
D-d-d-d-d-d-d-Darkness!  
D-d-d-d-d-d-d-Darkness!  
D-d-d-d-d-d-d-Darkness!  
D-dark-d-dark-dark!

It turns out  
Everything is bullshit!  
With creatures  
Self-satisfied!  
But I've been trying  
Not to think like that, no!  
I gotta be positive!  
There's a lot of good things about life, woah-woah!  
It's been a hell of a ride so far  
And there's still more to go, woah-woah!

I've been trying for a while  
Can't even bring myself to smile  
It's like dyin' for a cause  
That I do not believe in  
I tried to understand the lie  
I try to fall asleep at night  
Well I'm givin' her all she's got  
And I don't wanna fail!

Well I need some Darkness!  
D-d-d-d-d-d-d-Darkness!  
D-d-d-d-d-d-d-Darkness!  
D-d-d-d-d-d-d-Darkness!  
D-dark-d-dark-dark!

After all these years  
I've been hoping for glimpse  
Of the other side  
I spend a lot of time  
On the good stuff  
Just to woah-woah  
Maybe that's not my life!  
I try and try and try and try!  
And then it all starts over  
Again, and again, and again!  
I ask myself why!?  
Why do I even pretend!?

I was trying for a minute  
But that was before I felt sin  
And now that I have I'm not sure  
I wanna go back again!

I tried to understand the lie  
Never fell asleep at night  
I did what I could  
With what I have!

But I gotta have Darkness!  
D-d-d-d-d-d-d-Darkness!

D-d-d-d-d-d-d-Darkness!  
D-d-d-d-d-d-d-Darkness!  
D-dark-d-dark-dark!

Now the time has come!  
Day is on the run!  
Night has fallen now for good  
Just like I always knew it would!  
Well we said goodbye to Light  
Because it's in the past!  
It was never going to last!  
Now the sky is black  
And everything's fallen down  
Like is like a lost and found-  
Sometimes you get lucky  
When the world is black!

Woah!  
Well I feel this way!  
I thought the Light was  
Here to stay (Here to stay)!  
But now the Darkness  
D-d-d-d-Darkness  
Hears my cry!  
I feel the way  
Light runs away from me!

I will have Darkness!  
D-d-d-d-d-d-d-Darkness!  
D-d-d-d-d-d-d-Darkness!  
D-d-d-d-d-d-d-Darkness!  
D-dark-d-dark-Dark!
