

Odyssee

Nektar

Yeah

Yeah

(Spoken words incomprehensible)

Now you'd better believe it

Yeah

Hey

I take it every day
I take a look at the back of myself
I know I can't delay
Got to find my way outta of this hell
Let me take you home
I never make you find a way
But give it back, I'd swore
Never never never never never today

Yeah

Take me back again
To a land where it's very hard to go
I need some more of that charge to get off my back, I know
Take me back again
To the land of the people where I've been born
Come on, give me some
I'll never never never never never be blue

Yeah

Born in a barnyard, sugar, ten thousand years ago
I need sweet lovin' to satisfy my soul
Need your love so bad, any way I can, oh yeah

Sweet Mary, get a hold of my way
I need your sweet lovin' every single minute
Need your love so bad, any way I can, oh yeah

Sweet Mary, get a hold of my way, yeah
I need your lovin' to make a man out of me
I need your love so bad, any way I can, oh dear
