

Telephone

Nektar

Telephone
Can you heal
Sleepy head
Open your eyes

Telephone
Are you here
Yes or no
What should I say

Ooh well, some other time
Dream on my dear
Ooh love, I don't really care
As long as you are by my side

Telephone
Second time
I think, think it's time
To whisper love, whisper love

Ooh well, some other time
Dream on my dear, on my dear
Ooh love, I don't really care
As long as you are by my side

Telephone
Second time
I think, think it's time
To whisper love
