

## Red Ribbons

Nell

I'm so afraid of the twilight  
You tie red ribbons to my wrists  
And then you scream  
so softly  
And then you sneak  
under my skin

You touch me there  
I'm kind of scared  
But I surrender to you, yeah

You stone cold sweat all over me  
you think it tastes so sweet  
I breathe you in  
you are my oxygene  
I breathe you in  
you are my oxygene

You touch me there  
I'm kind of scared  
But I surrender to you  
You lucky one  
My fucking one

I wanna be forever yours

I've never said I was your friend  
I've never said I want you there  
I'm the most faithful slut of all,  
Let's marry, great will be our fal
