Technicolour Illusions

Small time bitch
big shot twitch
wait until
cards reveal

Can't stand the way you breathe
The way you grind your teeth
The words for love and hate
They always start with 'A'

All the blame
Muffled with pain
The hangman
The defendant
Touch of lust
Pinch of trust
Pleasure take some mouthful of cum

Can't stand the way you breathe
The way you grind your teeth
The words for love and hate
They always start with 'A'
