

I Remember You

Nellie McKay

I remember you
You're the one who made my dreams come true
A few kisses ago

I remember you
You're the one, who said, "I love you too"
Didn't you know?

I remember too
A distant bell and stars that fell
Like rain out of the blue

When my life is through
And the angels ask me to recall the thrill of them all
Then I will tell them, I remember you

I remember too
A distant bell and stars that fell
Like rain out of the blue, I miss you, darling

When my life is through
And the angels ask me to recall the thrill of them all
Then I will tell them, I remember you
