

Murder in My Heart for the Judge

Nellie McKay

Murder in my heart for the judge
Murder in my heart for the judge
Well that mean old bastard wouldn't budge
Murder in my heart for the judge

Walk into the court room
Know this is gonna bring me down
And that bloviated turd representative of justice and the prosecutor began to
frown

"I'm sorry, sorry for the thing I've done, I'm sure to change my evil ways"
The judge looked down at me and said "For being smart boy, I'm gonna give you
more than a lifetime."

Murder in my heart for the judge
Murder in my heart for the judge
Well that mean old bastard wouldn't budge
Murder in my heart for the judge

Well, he said, "If you looked like a man, I'll be your friend."
Just give me your money
Give me your time
I don't wanna see your ugly face here again

Murder in my heart for the judge
Murder in my heart for the judge
Well that mean old bastard wouldn't budge
Murder in my heart for the judge

The all seeing monitor
Buzzing in the sky
The techno madness
All seeing third eye

Murder in my heart for the judge
Murder in my heart for the judge
Well that mean old bastard wouldn't budge
Murder in my heart for the judge

Murder, murder in my heart
Murder, murder don't take me away
Murder, murder in my heart
Murder, oh murder murder

Up against the wall motherfucker
Hands up
Hands up

No justice
No peace
For us or the police

We've got to change the world

What do we want
Time travel!
When do we want it?

It's irrelevant!

Power to the people

I can't breathe
