

# Quicksilver Girl

Nellie McKay

She's a quicksilver girl  
A lover of the world  
She spreads her wings  
And she's free

She's a quicksilver girl  
A lover of the world  
She's seen every branch  
On the tree

Aaah aaah  
Quicksilver girl  
Aaah aaah  
Quicksilver girl  
Aaah aaah  
Quicksilver girl  
Aaah aaah  
Quicksilver girl

Aaaah  
Aaaah  
Aaaah

If you need a little lovin'  
She'll turn on the heat  
If you take a fall  
She'll put you back on your feet  
If you're all alone  
She's someone to meet  
If you need someone

She's a quicksilver girl  
A lover of the world  
She spreads her wings  
And she's free
