

## Small Day Tomorrow

Nellie McKay

I don't have to go to bed  
I've got a small day tomorrow  
Small day tomorrow  
I don't have to use my head  
I've got a small day tomorrow

And I could sleep the day away  
And it won't cause too much sorrow  
Not tomorrow  
So tonight this cat will play  
She's got a small day tomorrow

Now all those big wheels  
With all their big deals  
Are gonna need their sleep  
But I'm a drop out  
Who'd rather cop out  
Than run with all the sheep

Honey child, tonight's the night  
And there's a car I can borrow  
Until tomorrow  
We can swing way outta sight  
We've got a small day tomorrow

Now all those big wheels  
With all their big deals  
Are gonna need their sleep  
But I'm a drop out  
Who'd rather cop out  
Than run with all the sheep

Honey child, tonight's the night  
And there's a flat I can borrow  
Till tomorrow  
We can swing till broad daylight  
We've got a small day tomorrow
