

Iz U

Nelly

She said iz you iz or you ain't
Iz you iz or iz you ain't
Iz you iz or iz you ain't
Iz you iz or iz you ain't
Iz you iz or iz you ain't
Iz you iz or iz you ain't
Iz you iz or iz you ain't
Iz you iz or iz you ain't

She said iz you iz or iz you ain't
Gon' give me a ride
She said iz that 'chu wit the Lamborghini
Iz that yo car parked outside
Yeah that's my car girl
And if you won't to you could gon' (go on)
But lemme know if it's getting too late
And if not then I could catch me anotha
(2x)

Yeah I heard you got a man
I ain't trippin' off that, looka herre
Believe me I understand
Don't want to break up ya lil' happy home

Just want to be a friend
(You know) Gonna pick you up and take you to lunch or
somethin'
I'll leave it up to you if I'ma touch or somethin'

Ya want to cut or somethin'
Ya just let me know
We ain't bout no game
Now when I say we I mean the whole St. Lou

We good (good) good thangs (good thangs)
Ain't got no problems bout lettin' 'em loose
Ma, I ain't got no change
Big spaces out churr like a hundred yards

I got credit cards
You can charge 'em all (boo)
I know you heard me on your radi-o
Now ya home right

Try'na steal my cray-z (crazy) flow
Mo unless you bitin'
But I'm hurr(here) to let (to let) you know (you know)
Just don't make no sense when you hatin' on me

'Cause what i am you try'na be
(And uuhhhh) you can find me on magic dot
I'm talking in N-E-double L dot why
I stop (stop) bombs (bombs) what the hell

You might as well
I drop (drop) bombs (bombs)
On any motherf***ers who ain't throwin' wit us

You ain't throwin' wit us

You ain't flowin' wit us
Shut the do' (door) on that nigga he ain't rollin' with us

She said iz you iz or iz you ain't
Gon' give me a ride
She said iz that 'chu wit the Lamborghini
Iz that yo car parked outside
Yeah that's my car girl
And if you won't to you could gon' (go on)
But lemme know if it's getting too late
And if not then I could catch me anotha
(2x)

We spending money like whatever (whatever)
You see me poppin' bottles at the bar
It feels like now or never (never)
Please don't put 'cha bet down mo'

If it ain't four or better
I'm talking Pete Rose at the end of the road
Playboy fuck what you was told
Watch... me and my dirty

City scoped the whole hood
We be lookin' for the ones in tight jeans
The lust (the lust) never good

I'm like the Apple Bottom high tight things
Ain't disrespectin' (ahhh) didn't good
I didn't cause you harm
But I was reachin' for your arm

When you walked past
And I missed and I grabbed your ass
My bizzard
Feels like I'm learnin' 35

In a A3 cup in a Deezeevees
Whatever I desire (desire)
I want a 600 coupe wit the laser cut key
Before (before) I retire

Baby girl I got to have it all
8 cars in a stall
Them planks down the hall
Where the draws gon' fall

Coollest nigga ever seen (seen)
It ain't shit my nigga I'll show ya
Ones on triple-beam
Let it on out baby girl don't you know

I love to hear you scream
Want to hit it a lil' harder
Somethin' like a daughter
I finally caught her
Lil' chicky like a fish outta water (water water)

She said iz you iz or iz you ain't
Gon' give me a ride
She said iz that 'chu wit the Lamborghini

Iz that yo car parked outside
Yeah that's my car girl
And if you won't to you could gon' (go on)
But lemme know if it's getting too late
And if not then I could catch me anotha
(2x)

Now ladies put your hands up
And bounce with me now
Fellas put your hands down
And smack a lil' ass with me now

Goin' give that girl the eye
And tell 'em meet you outside
'Cause we ain't got no where to (go but home)
And see about the curb (the curb)

Go on get your friend's baby girl
I'm likin' (like it) when you swerve (you swerve)
Tell me can you drive a stick
If not (if not) can you learn (you learn)

'Cause you comin' on me like bitch the first time
Give me your birth date and your birth sign (scorpio)
Same as mine
I'll meet you down the street (the street)

On natural bridge down the King's highway
We will chill in (chillin') with my peeps (my peeps)
That L-you-N-A-T-I-see
Oh you fo' reel

We're not filthy rich but we could use a bath
Let a chick take half
Don't want that math
And I speak on behalf of my whole damn staff

I can see (see) what you thinkin'
You know you want it as bad as I do
Tell me (tell me) what you drinkin'
Pimp Juice?

Oh I got a case of that too
And that shit stankin' (stankin')
Like Cali chronic for them LA boys
That purple haze for them glassy jars
Fuck Lana, baby I want Mo

She said iz you iz or iz you ain't
Gon' give me a ride
She said iz that 'chu wit the Lamborghini
Iz that yo car parked outside
Yeah that's my car girl
And if you won't to you could gon' (go on)
But lemme know if it's getting too late
And if not then I could catch me anotha
(4x)

And bounce with me now
Smack a lil' ass with me now
Tell 'em meet you outside

'Cause we got nowhere to goo... but home
