

Hero

Nelson Freitas

I televise
You a star on my show
Fast on the rise
No stopping you
I realize
You feed my soul
Big appetite
My goodness
My heart my mind is stolen
No warning or no notice
My criminal I know this
She got that DFF I call it
One night of ya fruit in the garden
Might be a lifetime no pardon
One night of ya fruit in the garden
I call it
Darling, darling
Don't leave don't leave
No need, no need
Don't leave don't leave

My sweet gelato bom pa bo
My petit gateau bom pa bo

Don't leave don't leave
Fika ma mi
Maybe not today tho
Maybe not tomorrow
Maybe another day tho
Maybe I'm your hero
Maybe not today tho
Maybe not tomorrow
Maybe another day tho
Maybe I'm your hero

I televise
You a star on my show
Fast on the rise
No stopping you I realise
You feed my soul big appetite
I saw myself all in your eyes
I said I do in another life
I bet on you come blow the dice
One day when we do it
We gon do it nice

Maybe not today tho
Maybe not tomorrow
Maybe another day tho
Maybe I'm your hero
Maybe not today tho
Maybe not tomorrow
Maybe another day tho
Maybe I'm your hero

Darling, darling
Don't leave don't leave

No need, no need
Don't leave don't leave
My sweet gelato bom pa bo
My petit gateau bom pa bo
Don't leave don't leave
Fika ma mi

Maybe not today tho
Maybe not tomorrow
Maybe another day tho
Maybe I'm your hero
Maybe not today tho
Maybe not tomorrow
Maybe another day tho
Maybe I'm your hero
