

King of the World

Nelson Freitas

Ela é gostosa
Ela é perigosa
Ela é fofa
Ela é doce
Ela é tão linda
Cusinha bonitinha
Makes every head turn where she goes
Ela é sexy, so sexy
With this girl on my arm
I feel like the king of the world
The king of the world
She got them Louis Vuitton high heels on
Damn, she's sexy
Belissima, un bebe
That's my baby
She can make you fall in love with just one look
Lord, she's sassy
And the best thing about it is she's mine
She's mine
No need to hurry 'cause she's fine, she's fine
And the best thing about it she's independent
She don't need nothing from me
Still I take her on shopping sprees
Whenever she needs, whatever she needs
Ela é gostosa
Ela é perigosa
Ela é fofa
Ela é doce
Ela é tão linda
Cusinha bonitinha
Makes every head turn where she goes
Ela é sexy, so sexy
With this girl on my arm
I feel like the king of the world
The king of the world
She's the type of girl that a man wishes for
When he's on his knees, praying
That's what we're craving

For you, for you she might be nothing
But to me she's so special
She's what I fight for, she's who I die for
And the best thing about it is she's mine
She's mine
No need to hurry 'cause she's fine, she's fine
And the best thing about it she's independent
She don't need nothing from me
Still I take her on shopping sprees
Whenever she needs, whatever she needs
Ela é gostosa
Ela é perigosa
Ela é fofa
Ela é doce
Ela é tão linda
Cusinha bonitinha
Makes every head turn where she goes
Ela é sexy, so sexy

With this girl on my arm
I feel like the king of the world
The king of the world
Oh, baby, I love it
Baby, I love it
Oh, king of the world
Oh, baby, I love it
Baby, I love it
Ela é gostosa
Ela é perigosa
Ela é fofa
Ela é doce
Ela é tão linda
Cusinha bonitinha
Makes every head turn where she goes
Ela é sexy, so sexy
With this girl on my arm
I feel like the king of the world
The king of the world
