Nelson Freitas

Got my swagga right
I'm off to the club tonight
To find me a one night thang
Oohh
Been outta game for a while
But I'm back fresher than ever
Not about to let nobody tied me down

Hook
'Cause when you left
You broke my heart
But time heal's all wounds
And noooww

Chorus 2x
I'm looking for my rebound chick
Girl could you be it
I'm not looking for
Love love love love love
I'm searching for that rebound chick
And you just may be it
I'm not looking for
Love love love love love

Hey hey hey hey hey (3x)

Verse 2
Got my swagger right
I'm headin to the club tonight
I'm gonna get crazy, stupid
Might even cross the line
I'm gonna get my drink on
And blame it on the alcohol
So please ladies
Don't you hold none of this
Against me noo noo

Repeat Hook

Repeat Chorus

Bridge
Hey hey hey hey hey (3x)

We can have sex in the bathroom
Sex on the floor
Sex in the living room
Sex on the stove
Sex in the elevator
Ring the alarm, ring the alarm
We can have sex in the Kitchen
Or on the stairways
Back of my car
Or in the driveway
Sex girl wherever you want
Ring the alarm, ring the alarm

Repeat Chorus
