

Wind It Up

Nelson Freitas

Wind it up, wind it up
Lately, I've been vibing with this girl
She's been on my mind all the time
You have no idea of what I do to her
I blow her mind, yes, I blow her mind

And, I, I, I, I, I, I, I, I
I'm feeling you, feeling you,
feeling you, feeling you
I, I, I, I, I, I, I, I
I know that you feeling me, feeling me,
feeling me too

So wind it up for me
Do it up slowly
'Cause I, I, I won't control myself
Wind it up for me, gal
Do it up so slowly
'Cause I, I, I won't control myself

And you'll like it, yeah you'll love it
We'll be doing things so naughty
I'll be gracious while I'm touching you
In the places that you want me

You'll be crying, girl no lying
When I get you up in my bed
So let loose all control
Been into you from the go

And, I, I, I, I, I, I, I, I
I'm feeling you, feeling you,
feeling you, feeling you (you know I do)
I, I, I, I, I, I, I, I
I know that you feeling me, feeling me,
feeling me too

So wind it up for me
Do it up slowly
'Cause I, I, I won't control myself
Wind it up for me, gal
Do it up so slowly
'Cause I, I, I won't control myself

Baby, when I pull up on you, hey
I go out of my way for you, hey
You know I spend my check on you, hey
Only the best of the best for you, hey

So wind it up for me
Do it up slowly
'Cause I, I, I won't control myself
Wind it up for me, gal
Do it up so slowly
'Cause I, I, I won't control myself

I won't control myself

(Wind it up, wind it up)
Won't control myself
(Wind it up)
No, no, no
(Wind it up)
I won't control myself
(Wind it up)
No, no, no
(Wind it up)
I won't control myself
(Wind it up)
Yeah
(Wind it up)
