

You're Beautiful

Nelson Freitas

I gotta go my love, but I'll be back real soon. I know you'll miss me girl, I'll miss you too. Don't you worry about me, no. Everything will be all right. I'll be back to hold you down. We'll spend some quality time alone. While I'm gone, call me on the phone. Think about me, dream about me. It's me and you. You and me. I want it to be more than you can see now. We eill get t here somehow! Let me tell you this for now:

Chorus I Love Your eyes Your lips Your smile Your kiss Your touch I miss When I'm not around you girl I Love You Eyes Your lips Your smile Your kiss Your touch I miss You're Beautiful, Beautiful

Sittin in a hotel room, thinkin bout me and u and all the things that we could do... If you are right, you're with me boo! With me toucin... lovin... kissin... and huggin... You all over me, me all over you, that's the way it would be. There's silver all over your body girl. Kissing your body prouch or chimney world. I love the way that you make me feel... Girl you make me feel brand new!

Chorus I love your eyes Your lips Your smile Your kiss Your touch I miss When am not around you girl I love your eyes Your lips Your smile your kiss your touch I miss You're beautiful, beautiful

Hang about lady crazy! It's Jane crazy lady. Hold up that purple hey smoke with me baby. I'm no gangsta she's no gold. Get diamond from the dutch and tell you something can God. For belessin me, sexy buclersy. Now that you hear me let me tell you what I think it is. Kick off your nykies and start walk over O three bunny o'clock. We now walk over.

Chorus 2x
