

Life

Nelson

Life
Will go on without me
Take it and you'll see it doesn't matter

Life
I know what your game is
You take it and trade it for another

Life
Before you're over
I want something to show for all my trouble

Time come on in
I want you back again
Where're you goin' now?
I thought you'd know somehow

Life
If you keep goin'
I'll try to throw in a little love
Life
I can't do without you
There's something about you that keeps me goin'

Life
I don't want to stop now
I've been through so much now because of you

Tell me life, what are you here for?
Tell me life, I want to know more
Tell me life, what are we here for?
