

This Christmas

Nelson

Falling like the snow this Christmas
Falling like the snow this Christmas

I wanted to tell you for a long, long time
Ever since I can't remember you've been a friend of mine
Now if all the snow that's falling down
And this beauty all around us
Yeah, all that's left to do
Is say "I love you"

This Christmas, I'm gonna say how I feel
I'm hoping that the magic's right and on my side
Gonna pray my wish come true tonight
While the fireside's aglow
I'm gonna hang that mistletoe
And finally let you know
This Christmas

Falling like the snow this Christmas

I don't need the presents underneath the tree
'Cause all I want is you to be with me
All around the world tonight
There's joy and peace
All the love that Christmas brings
I wanna give it all to you

So, all that's left to do

This Christmas, I'm gonna say how I feel
I'm hoping that the magic's right and on my side
Gonna pray my wish come true tonight
While the fireside's aglow
I'm gonna hang that mistletoe
And finally let you know
This Christmas

I should've told you sooner
But I tried
It was never the right time

This Christmas, this Christmas, gonna say how I feel
Gonna tell you how I feel
I'm hoping that the magic's right and on my side
Gonna pray my wish come true tonight
While the fireside's aglow
I'm gonna hang that mistletoe
And finally let you know
This Christmas

Gonna let you know this Christmas
