

# Can't Believe It

Nemesea

I can't believe it  
My whole life on hold  
No, I won't believe it  
I never went for less than gold

I can't believe it  
This feel so insane  
It so hard to believe it  
Everything resonates the pain

And when the darkness float around me  
I want to let it go, let it go  
I hope the silence comes and finds me  
So I can let it go

I can't relive it  
I need some peace of mind  
But if I can't forgive it  
Insanity leaves me numb and blind

And when the darkness float around me  
I want to let it go, let it go  
I hope the silence comes and finds me  
So I can let it go  
And when the sadness overwhelms me  
I need to let it go, let it go  
I hope the silence comes and finds me  
So I'll keep breathing in, breathing out

I can't believe it  
I'll my lifeline go  
I won't believe it  
Show me what I need to know

I can't erase it  
It's always been my guide  
But I have to face it  
I need to end this fight

And when the darkness float around me  
I want to let it go, let it go  
I hope the silence comes and finds me  
So I can let it go  
And when the sadness overwhelms me  
I need to let it go, let it go  
I hope the silence comes and finds me  
So I'll keep breathing in, breathing out
