

# Certified Pop Queen

Nemo

I don't need another weekend  
Talking to me like now you're free (hey)  
Writing poems for my three friends  
If you're on my team, you're a part of me (hey)

Baby if you wanna see me  
I'm at the bar where we never met (hey)  
First we drink a couple cheap drinks  
Til we see things, like (heyeyeyey)

I'm a certified pop queen  
I'm roughly ten millions in the making  
Getting rich playing yahtzee  
Paparazzis you can watch me get naked

If you really wanna judge me  
Go judge me, but I'll never ever fake it  
I'm a certified pop queen  
Can't touch me

Cause I'm too high  
(I'm a certified pop queen)  
Too fly  
(Can't touch, can't touch me)  
Oh my  
(I'm a certified pop queen)  
So fly

Hello  
I'm just a pop queen living  
Ohh they can feel it when I'm killing it like  
Ohh I walk on sand, fire, ice, water  
It don't really make no difference like

Ohh  
Sticks & stones don't break me  
Ohh  
I only get going when they chase me  
Like ohh I think I saw the other side  
It's just a jump I can make it

Cause I'm too high  
(I'm a certified pop queen)  
Too fly  
(Can't touch, can't touch me)  
Oh my  
(I'm a certified pop queen)  
So fly
