Nemo

I hate to miss you when I go away, mm
Guess I could fly it on another day, mm
You sound pretty when you say my name
Can we go again? We are love drunk, fucked up and insane
I hope we never change
'Cause, God, I

Love the way it feels and you love to keep it real
No strings, all wings
Push me out, I'll pull you in
I'm a wave you wanna swim
Jump in, it's spring

Let's go easy
We don't have to make it hard
I love partying in the dark
Let's go easy, easy (Woo)

It's easy, baby, believe me
You can love me, you can leave me
You can be a little sneaky, I don't mind that
I'm not needy, I'm not like that
I'm your sugar for you, I could be your kiwi
You're more peachy, rated PG
That's a side fact, no, you don't need me
But you always call me right back

Let's go easy
We don't have to make it hard
I love partying in the dark
Let's go easy, easy

Don't hate the player, hate the game
You feel the cause, I take the blame
We'll take it easy, easy
Don't want too far, just want to play
I call it love until you say
Let's take it easy, so easy (Woo)

Let's go easy
We don't have to make it hard
I love partying in the dark
Let's go easy, easy (Woo)

Easy, it's easy
Easy, it's easy, easy (Woo)
