

Falling Again

Nemo

I'm falling again
I thought I would die, but woke up in bed
You're stuck in my head
Why sleep it off when I could call you instead?

'Cause I love speaking on a phone
Baby, I've been missing you so crazy
Talk about your friend
How are things in the band?
This city drives me so crazy
Wishing I could hit the road lately
'Cause every time we talk

I'm falling again
Late night talks over the ocean
Got me falling again
I don't want this night to be over, oh, oh

Falling again
Falling again
You got me falling again
Got me falling again and again and again (Yeah)

The sun's 'bout to rise
We'll both be cut off, it's a busy life
Late time passed by when I get home, I can call you, right?

'Cause I love speaking on a phone
Baby, I've been missing you so crazy
Heard you got a bit of sun
Kinda wish that it was cold
I've been tryna stay afloat lately
I could use a visit home maybe
'Cause every time we talk

I'm falling again
Late night talks over the ocean
Got me falling again
I don't want this night to be over, oh, oh

Falling again
I'm falling again
You got me falling again
I'm falling again and again
I'm falling again
