

# HAILEY

Nemo

Tell me, Hailey (Hey)  
What you do when you're gone  
You drive me crazy (Hey)  
I'm walking 'round in my room  
You want me daily (Hey)  
Until we're through, until you're gone  
Oh, my baby (Hey)  
You drive me crazy (Crazy, aw)

(Ooh) Ooh, what you do to me  
I can barely sleep  
(Ooh) But if I probably dream of you

Ooh-ah, what you do, what you do  
I am going mad 'cause of you, what you do  
Ooh-ah, it's all cool, it's all cool  
I'm just gonna work it out  
Ooh-ah, what you do, what you do  
I am going mad 'cause of you, what you do  
Ooh-ah, it's all cool, it's all cool  
I'm just gonna work it out

I've been alone for a couple of days (Uh)  
Until you say that I should come back home (Uh, uh)  
It's okay, it's o-fucking-okay  
'Cause I hate being on my own

You're amazingly bad for me  
I don't get your strategy  
You're cute, then you're mad at me  
Like, "What?" (Ooh)

Ooh-ah, what you do, what you do  
I am going mad 'cause of you, what you do  
Ooh-ah, it's all cool, it's all cool  
I'm just gonna work it out  
Ooh-ah, what you do What you do  
I am going mad 'cause of you, What you do  
Ooh-ah, it's all cool, it's all cool  
I'm just gonna work it out

(What you do, what you do)  
(It's all cool, it's all cool)  
(What you do, what you do)  
(It's all cool, it's all cool)  
I'm just gonna work it out
