Ain't gotta say she's bad, you already know (Bad, bad)
Best fix your face, before I take your hoe (No joke)

I'm tryna be top two, minus one, don't know for the rest
I'm grabbing her back, it's making sense, gotta show love to th
e breasts
You owe me dough, best pay me back, before I add interest
I'm controlling it all the way and she's submitting (Ayy, ayy)
If me and you parted ways, goodbye good riddance (Ayy, ayy)
I like when she talks back but she gonna listen (Yes, yes)
(Best listen you know)

Before I start this shit, I'ma call this one-flow (Ayy, ayy)
You got something to say, ain't got nothing to show (Ayy, ayy)
Ain't gotta say she's bad, you already know (Bad, bad)
Best fix your face, before I take your hoe (No joke)

How do you man sleep at night? I wonder, no Steve
Ayy, always watching me, I beg, let me breathe
Slide in the function, make that lit
Same way this sweet one tryna slide in
Same way bro slide in cash that job
No pronoun ting, but G, I'm him
Yo, man said I got one flow
Is it 'cause I took your hoe?
Is it 'cause I took your bitch?
She got bread so we're gonna trick
