

COLD

Nemzzz

Yo

Apart from bro, when I ain't had bread, me, I didn't hear from no one
I spun that block on my pedal bike, and I didn't see no one
I was linking thots and doggin' 'em out and hangin' up calls like, "Hold on"
Kinda weird, I miss that life, right
But it feels so wrong

Got paid but I had to stretch it
Now I'm posted up all tryna get it
She like "Why you heartless?"
These hoes won't even get it
I got mad and I wanted to pull man up
If bro's on go don't tempt me
Don't even step with man if you're going to explain to me why you left me
I was beefin' guys that ain't got funds
You're landin' slow don't claim you shot
Dress code black
Same tracksuit your man's not hot
Ay, couldn't even book no hotel
Told my [?] I know one spot
Ay, fed on the block let's relocate, if shit gets hot
(Shit, what you sayin' lil man, I don't hear from you no more bro, you good?
[?])

Yo, shout it K like yo bro bleaching
At home debating the repercussions
Yo, fuck that I'm leaving
Ran man down in the daylight
Probably [?] in the evening
Man always say real recognize real
Really what is the meaning? Ay
[?] involve them guys
You tight with movin' different
Mumsy didn't expect this life for me when I was an infant
She saying I'm nonchalant
I'm glad you know how to listen
My neck went green back then
But now, the VV's glazing

Apart from bro, when I ain't have bread, me, I didn't hear from no one
