

(ZEL, this shit crazy)
Someone tell DJ Khaled, "Say, 'Another one'", hehe

Ayy, I CBA, so I'm not even talkin'
You want my ETA, I ain't left just yet, I'm stallin'
Still gonna come through, shake that back
Still gonna eat me up like Morley's
I just get paid, I'm borin'
Nowadays I shoot, I'm scorin'

How I'm feelin'?
This one onto me and bro
So we might as well tag-team it
Respectfully pass then leave it
Gimme the bread I'm fiendin'
I'm on the low-low though
Like YOLO, bro, I don't know for them
Ayy, think that I'll treat you right, huh?
Best not cut off your ex
I need ten million pound for a deal
What the fuck is two Ms? (What the f-?)
Man wanna talk on me
But you ain't done shit for your mum, ayy
Could've been like me
But you just didn't make the cut, bitch
Eye contact make them gyal nervous
Bro in the T ain't got no service
Bro in the stolen still ain't learnin'
Better than who? Better than what?
One year ago, I felt worthless
Can't make this up
Vibe is off, so gotta cut

Ayy, I CBA, so I'm not even talkin'
You want my ETA, I ain't left just yet, I'm stallin'
Still gonna come through, shake that back
Still gonna eat me up like Morley's
I just get paid, I'm borin'
Nowadays I shoot, I'm scorin'
Ayy, I CBA, so I'm not even talkin'
You want my ETA, I ain't left just yet, I'm stallin'
Still gonna come through, shake that back
Still gonna eat me up like Morley's
I just get paid, I'm borin'
Nowadays I shoot, I'm scorin'
