

TikTok is funny, you know

Yo, what's new on the FYP?
She, he got cheated on
Kinda peak, what do you mean?
Long as you got your lick back
I swear it ain't that deep
So much verbal, wait, lemme refresh the feed

Yo, no one's blowing a bag on you, so go fix up your life
Accessible, LOL ain't getting wifed
That's your girl, you the main or the side?
Shit I'm seeing is mad, I give it a side eye
Yo, kiss my teeth, I mean KMT
She wasn't picking up, when I'm in the AMG
Know she's rollin' now, seen the Airbnb
I like the ones who get the bag and don't even need to brag
Way too bait, too much likes, red flag
I'm in and out of the city, might go ghost, but I'll be back
(I'll take you out on a date, but I beg, don't put it on TikTok)
(Can't lie 'bout fat, no Rick Ross)

Ayy, what's new on the FYP?
She, he got cheated on
Kinda peak, what do you mean? Ayy
Long as you got your lick back
I swear it ain't that deep
So much verbal, wait, lemme refresh the feed

Bro bro's feeling her
Ain't too sure she's feeling him
So much weight on me these days, I started hitting the gym (yo)
I know everyone was vexed that day I said I'll vouch for Slims
Last time I checked, bitch tried to finesse my ting
I'm tryna ball like Lewis, yo, shit I mean Rico, ayy
Weakest drip you stepped in with my G, get back in the Veto
Told me you weren't enough, dated ballers here and there
Got match and free it up
Matter of fact, just hold it there
Serious ting I'm 'bout to bust
Let's go out to eat
Bon appétit, hair done, it's giving sweet
Yo, best watch your step
Cost me a bag what's on my feet
I'm stepping clean
