Designer bags, she like that yo'  
Foreign cars, she like that yo'  
A little bit of Henny' she like that  
Imma' back out my card and swipe that  
Fe-Feeling a way can't hide that  
C-B-A to even type that  
Told her I'm flying up kway, two working days  
"One sec I'll be right back"  
Bad one on me and she tipsy, ain't got time  
Hussle like Nipsey  
But I don't mind if I get me a brizzy  
Bro said "Lowe it I'm buying a blicky"  
Throw back, two-two scran in Dixy's  
Top floor now still in my trackie  
Ty got loud but he didn't bring back  
He gave her the pipe, she could not hack it

Imma' keep it 99+1 (100), I do not splurge  
Why waste money, chasin' clunge  
Quick Morley's she'll be freein' it up (Yeah)  
Becky love play with guns, givin' her five for a bag? Sad  
That could've gone to the plug, that could've gone into suttin'  
Why was your bread on her chuckers  
I just got back to the block, bro make it snow in the hottest of summers (Snow)  
Give me the wetter I'll do it (Do it)  
Flick knife go through jumpers, I was in the T house livin' outrageous (Yeah)  
Could've got sme-guled by the punters

Up in the A class taking trips  
She all on me, she all on me  
That one ain't even yours she leased, ex man broke he ain't got no p's  
Furthermore Impress with ease, just bought my whip waitin' on the keys

Ain't up next we'll see, we'll see (Yo), we'll see, we'll see

Yeah, we'll see, we'll see

If you got served gracious loud then I hope that it came from me (Came from me)

It still step with the meanest dank, "Smell it" don't you agree? (Don't you agree)

Still do it for Jets, Patch, Bands R-I-P

One-two-three, four girls wanna come down south but there's only one of me

Roll up a rocket get it lit and call the G's

Hundred degrees, see em' and I'm gone

Obbo been a panic, funny feelin' and I'm off
